

*CF Thermal, Inc.*

**The Solution For Your Thermal Processing Needs!**

**1-864-757-1020**

**[www.CFThermal.com](http://www.CFThermal.com)**

# 1-864-757-1020

Design and Build High Performance Heat Treating Equipment and Accessories. Meshbelts, Cast Link Belts, Pusher Furnaces, Batch Furnaces, Washers, Tempers, Generators, Annealing, and all other types.

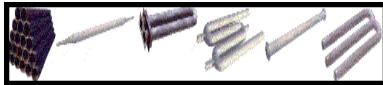

Atmosphere Furnace Company (AFC), Holcroft, Pacific Industrial Furnace Co. (PIFCO),  
Process Master Controls and Thermal Alliance

[www.AFC-Holcroft.com](http://www.AFC-Holcroft.com)

All Cast Products! Grids, Fixtures, Muffles, Retorts, Radiant Tubes, Cast Baskets, Rails, Fans, and many more Products offered. Custom Designing and Engineering available.

[www.AECCO.com](http://www.AECCO.com)

ALD-Holcroft provides 'The Solution' to your high volume, vacuum based heat-treating equipment requirements. We provide process capabilities such as Low Pressure Carburizing (LPC) and high pressure gas quenching (HPGQ) as well as vacuum oil quenching, neutral hardening and on and on.

Atmosphere Engineering Company

Full line of Digital and Manual Flowscopes, Complete Nitrogen/Methanol Panel Packages  
EndoInjector (Fuel Injection) Systems for Both Endothermic and Exothermic Generators

[www.atmoseng.com](http://www.atmoseng.com)

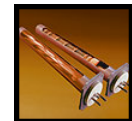

Custom Electric  
Manufacturing Co

Custom Electric specializes in the manufacturing of Heating Elements. Bayonet-Style Elements, APM Tubes, Ceramic Plate & Fiber, Module Heating Elements, and Custom Designs

[www.Custom-Electric.com](http://www.Custom-Electric.com)

Energy Optimization Systems. dibalog offers you two systems with different performance features: EOS and EAS. Both are controlling and monitoring and can be used separately or versatile with modules. Together the systems complement each other thus achieving the best possible saving and control results respectively.

## Company Information

CF Thermal, Inc. is a Manufacturer' Representative firm, committed to the Heat Treating and Metal Processing Industries. Our sales force are all of Technical Background and are highly dedicated to our cliental. It is our commitment to all of our customers, that the products and services we provide are only of excellent quality and provide exceptional customer service.

A note from our President:

*"The Mission for our company is to exceed the expectations of our customers and offer a solution for your needs. There are several companies that sell similar products, but don't offer a solution to a customers needs, that is why CF Thermal, Inc. was started in 2002. Thank you for your continued business and we look forward to working with you for many years to come."* **Kyle Favors, President**
